

Owner: Village of Montrose
Contract: Effluent Interceptor Sub-Drain Replacement
Project No.: 969-133

The Village of Montrose invites tenders for the construction of a new effluent interceptor sub-drain and outfall at the Montrose Wastewater Treatment Plant. A summary of specific work items includes the following (approx. quantities):

- Interceptor sub-drain, depths >6m (~130 lineal metres)
- 200mm diameter HDPE outfall pipe (~145 lineal metres)
- Soil anchors for pipe slope anchorage (6 each)
- Discharge structure (1 each), sampling chamber (1 each) and manholes (2 each)

Electronic Contract Documents are available at no charge through BC Bid.

Paper copies may be ordered and picked up at the address below, on payment of a non-refundable amount of fifty (\$50) dollars, including GST (cheques payable to TRUE Consulting):

TRUE Consulting
#2 – 860 Eldorado Street
Trail, BC V1R 3V4

All tenderers are asked to register with TRUE Consulting (using the 'Planholder Registration Form') to receive addenda that may be issued during the tender period. Submitting the Planholder Registration Form is not a requirement to bid. Tenderers that do not receive or do not acknowledge receipt of addenda may be disqualified from the tender process.

Tenderers are encouraged to attend an optional informational meeting scheduled for Tuesday August 22nd 2017, at 1:00 pm at the project site (Montrose Wastewater Treatment Plant, driveway access from 8th Avenue at 7th Street).

Questions and clarifications regarding the Tender must be submitted to TRUE Consulting no later than **Thursday August 24th 2017**.
