

**Owner:** Village of Montrose  
**Contract:** Wastewater Treatment Plant Upgrades  
**Project No.:** 969-183

The Village of Montrose invites tenders for wastewater treatment plant upgrades. A summary of specific work items includes the following (approximate quantities):

- Construction of wastewater treatment plant headworks, including ~90m<sup>2</sup> pre-cast concrete building with enclosed screening system, coagulant dosing system, electrical and controls, washroom, and office/lab;
- Aeration improvements, including replacement of rotor style aerators in existing oxidation ditch;
- Clarifier renewals, including replacement or refurbishment of selected internal clarifier components;
- Replacement of electrical service to wastewater treatment plant and electrical site upgrades;
- Construction of ~120m of 100/150/200mm diameter sewer piping;
- Installation of 4 manholes;
- Construction of ~60m of water service line and ~20m of forcemain;
- Various site improvements, including 11.3m<sup>2</sup> retaining wall, site grading, and ~80m of chain link fencing;
- Hydraulic seeding, and replanting of trees and shrubs.

Electronic Contract Documents are available at no charge through BC Bid.

Tenderers are encouraged to attend an optional informational meeting scheduled for Tuesday, September 28, 2021, at 1:00 pm at the Montrose Wastewater Treatment Plant (driveway access from 8<sup>th</sup> Avenue at 7<sup>th</sup> Street).
