

“Operation Owatz 2022 is an event to honour Dr. Todd Owatz, a dedicated surgeon who worked in the Ambulatory Care Unit at Kootenay Boundary Regional Hospital (KBRH). When Dr. Owatz passed away on Oct 15, 2020, he left a legacy of care and service to his patients and colleagues. Dr. Owatz had a passion for fitness and health. This is a 6-week virtual movement challenge that will get participants moving for better health and participants will track their movement activities. Details: Facebook or Instagram
 Our 2022 goal is \$30,000 goal - to support the KBRH Health Foundation’s Ambulatory Care Campaign.”

To donate directly to Operation Owatz: on-line @ www.kbrhhealthfoundation.ca (select ‘other’, type Operation Owatz) or call KBRH Health Foundation at 250-364-3424

2022
