What is Voyent Alert!?

Voyent Alert! is an emergency notification service provided by the Regional District of Kootenay Boundary to keep you informed of critical life-safety events.

What You Can Expect

Personalized Communications

Voyent Alert! provides informative communications. Critical information such as the distance and direction from an incident, and preferred evacuation routes from your tracked locations may be provided.

Track Multiple Locations

Voyent Alert! allows you to create and track multiple locations such as "Kids School" or "Mom's House". Any event or communication related to your tracked locations will be forwarded to you along your preferred communication channel.

Communications Your Way

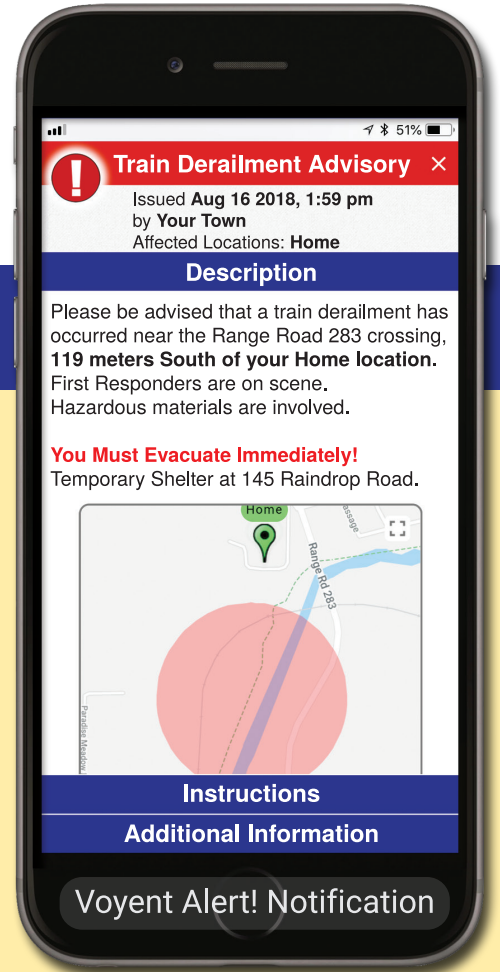

Receive alerts over a wide variety of communication channels including mobile apps, text/SMS alerting, email or voice dial. You can register for one or more communication channels.

No Message Fatigue

Smart alerting capabilities ensure that you will only get notified when a communication is relevant to you or one of the locations you are tracking.

Easy Registration

Registration for the service is FREE, simple and anonymous.

How to Register

Mobile App Users

Download and install the Voyent Alert! app from the Apple App or Google Play stores.

Email, SMS or Voice Dial Users

Register online to receive email, voice or text-based alerts at <https://register.voyent-alert.com>
