SPRING YARD & GARDEN PICKUP

McKelvey Creek Landfill no longer accepts plastic bags or nylon tie ropes for yard and garden waste. These cannot be used for drop-off or pick-up.

Spring collection for leaves and branches will take place on **April 24th**. Please have your items at your regular garbage pickup location by 7:00am.

- Branches must be bundled (max. 4 feet long, 6-inch diameter) and securely tied.
- Leaves should be in compostable kraft bags or open plastic totes (max. 40lbs).

The Village is bringing back the yard & garden waste dumpster, it will be located beside the Fire Hall from April 16 to May 1 for garden waste, leaves, and branches **ONLY**. The site will be under video surveillance.

Please note: Plastic bags, loose leaves, clippings, or unbundled branches will **NOT** be picked up.

RDKB BEAR BIN TRADE-IN PROGRAM - *ORGANICS ONLY

The bears seem to be waking up earlier and earlier in our area, and the RDKB figured we'd get a head start letting our residents know that we have availability of these bear bins through our green bin trade-in program. These bins cost \$200, which includes GST, and they are a very robust animal resistant bin with a unique locking system. The bear resistant green bins are for organic waste collection only – not for garbage collection. Please call RDKB or visit their website for more information.

HELP KEEP THE VILLAGE SQUARE A CLEAN & RESPECTFUL SPACE

Recently, we experienced an act of vandalism at the Village Square building. As a result, the building will now be locked, and access will require a code. If you wish to use the building, please contact the office to arrange access. Please note, there is video surveillance in place.

To help prevent future incidents, we'd like to remind everyone that minors must be accompanied by an adult when visiting the Village Square. This ensures that we can maintain a safe, clean, and enjoyable environment for all.

Thank you for your understanding and for helping us preserve the integrity of our community space!
