

THE VILLAGE OF MONTROSE

POLICY TITLE: SMALL CONTRACT POLICY

POLICY # 2240

POLICY STATEMENT:

It is the policy of Council to administer all contracted services through a formal contract document.

POLICY BACKGROUND:

Council frequently awards contracts to suppliers for services of a modest cash value, where the cost of writing a formal legal contract is excessive in relationship to the value of the contract. Nonetheless, the Village is exposed to a liability risk whenever it enters into a contract for services and the contractor fails to meet his obligations under various statutes and regulations.

POLICY GOAL:

The goal of this policy is to issue legal contracts between the Village and Contractors that have a value of \$5,000 and over, exclusive of GST.

POLICY OBJECTIVES:

1. Where major contracts for services are awarded and administered by engineering firms or other third parties on behalf of the municipalities, to secure the provision of such services by means of legal contract documents generally used for the type or class of service provided.
2. Where minor contracts for services are awarded and administered by or on behalf of the Village, to secure such services by means of an "Agreement between Village and Contractor" as set out in Schedule "A" attached to, and forming part of this policy.
